Lesson 15B Extra Practice

???

The terminal is big enough to fit fifty of these into it across five floors. (football pitches)

It is the biggest of its kind in the UK and the busiest internationally. (airport)

There are around 18km of these which transport the luggage around the terminal. (conveyor belts)

This is the highest of its kind in the UK. (tower)

What can you remember?

???

So they can visit, see the new house, have an extended holiday and help Anja and John.
 He can't sit next to Helga, and he has to sit next to an old lady who needs a lot of help and is very chatty.
 He has four projects: the dripping tap, the dead bulb, the curtains, and the lamp.
 She tidies it up so they can have a barbecue with friends.
 Helga can't find the matches and then accidentally buys crisps instead of chips.
 Wolfgang forgot about the steak on the barbecue and burnt it.
 The English sun was too much for Wolfgang.
 John pays for the meal at the restaurant.
 Wolfgang loses his rucksack at the zoo.
 Anja and John are expecting a baby.
